1) Write your name on every item to be washed/repaired. 2) Pack two blankets per bag. The bag <u>must not</u> contain wet items, chunks of manure, or any creatures (dead or alive). Please inspect your items before placing in the bag. 3) Print a laundry ticket for each bag. Put this sheet inside each bag, seal the bag. Write your name on the outside of the bag. Keep a copy of your laundry ticket for yourself. "Extra dirty" blankets will need a second wash to meet our standards. Manual cleaning starts at \$10. Most blankets do not require additional washing. All items are air dried.
